# WBO Official Education Certification Program

**CERTIFYING  
KNOWLEDGE.  
STRENGTHENING  
THE GLOBAL  
BAMBOO NETWORK.**

# Purpose

01

At the World Bamboo Organization (WBO), we believe **bamboo is more than a material**, it is a transformative solution for a sustainable future.

Through education, we strengthen the global bamboo sector by empowering individuals, institutions, and organizations with trusted knowledge and recognized expertise.

# What We Offer

02

The WBO Education Certification Program establishes international standards for bamboo-related training across architecture, construction, engineering, craft, nutrition, and environmental restoration.

By certifying high-quality programs worldwide, we ensure learning experiences are credible, visible, and internationally recognized.
